MICHIGAN STATE UNIVERSITY Alpha Presentation Dealership Consultant Mobile App

The Capstone Experience

Team Urban Science

Joe Greer

Austin Hendry

Yevgenny Khessin

Department of Computer Science and Engineering Michigan State University

Spring 2013

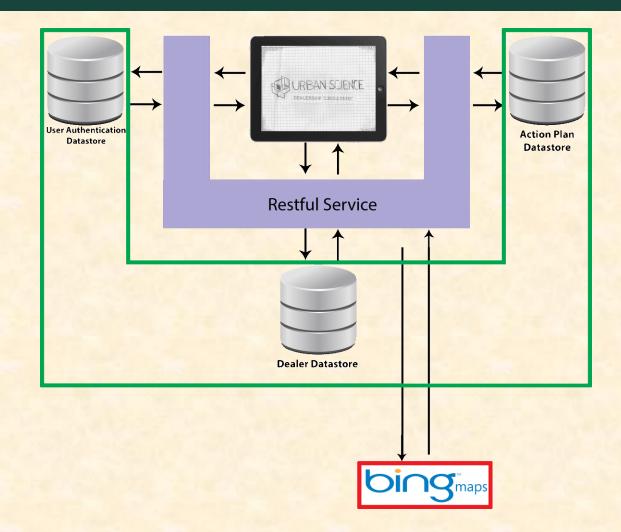

-rom Students... ...to Professionals

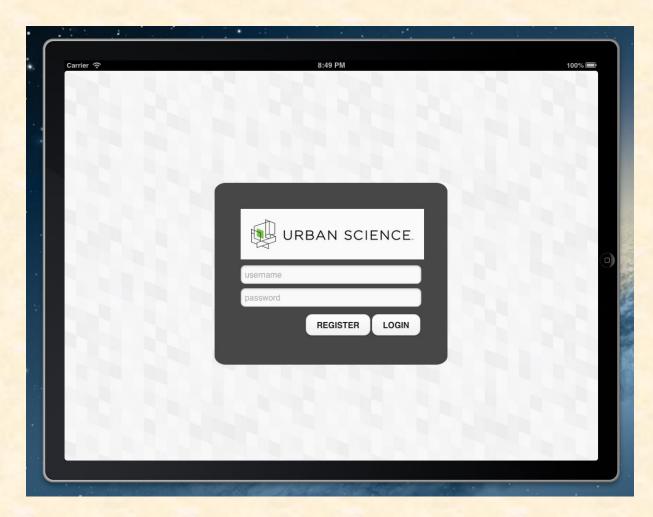

Project Overview

- Used by auto-dealership consultants to access and record information about dealerships prior to and during consultation
- Allows consultant to search for dealers
- Presents results on map or in list
- Displays "key performance indicators" or KPIs
- Records meeting information to database

What's left to do?

- Expand state and county polygon options
- Improve look and feel
- Remove temporary navigation page
- Test and continue debugging
- Optimize
