# MICHIGAN STATE UNIVERSITY Beta Presentation MyMeijer: Crowdsource Shopping The Capstone Experience

#### Team Meijer

Matt Bender Nancy Krutty Mark Mangliers Mike Mei Department of Computer Science and Engineering Michigan State University

Spring 2017

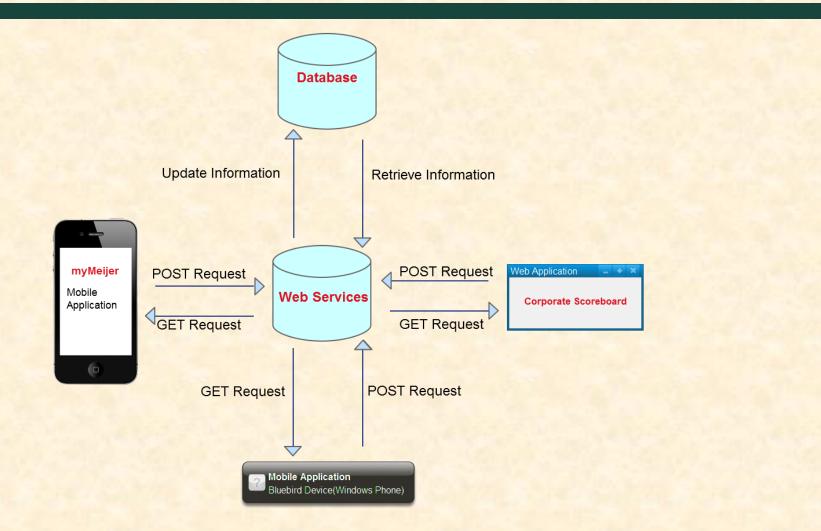

From Students... ...to Professionals

#### **Project Overview**

- Improve customer shopping experience with quick reporting of out-of-stock items and spills
- Allow employees to efficiently solve reports
- Allow store managers to view filtered report statistics and see frequently out-of-stock items

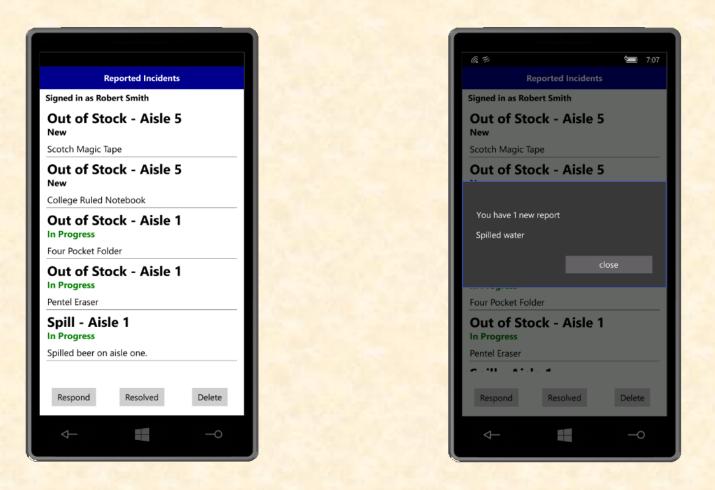

### System Architecture

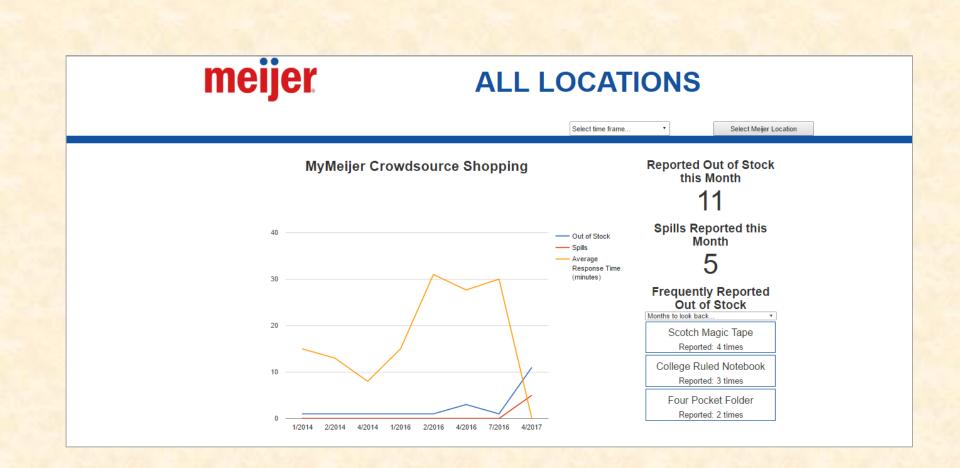

## **Consumer Application**
