Credit
WHAT IS CREDIT?
WHY DO I NEED CREDIT?
Revolving credit
(credit cards): you are given a maximum credit limit and every month you need to make a payment toward the balance or amount spent
Charge cards
You must pay the total balance every month
Service credit
Arrangements made with service providers such as electricity, cellular phone service, etc., and you make payments each month.
Installment credit
(auto loan, mortgage): you are loaned a specific amount of money and agree to pay back the money with interest in set installments over
