A screenshot of a mobile application interface. At the top, a teal status bar shows icons for home, messages, and navigation, along with system icons for signal strength, alarm, 4G LTE, battery at 72%, and time 5:45 PM. Below this is a teal header with the text "Lake Michigan Partners" and a share icon. The main content area is white and contains the following text: "Aurora, IL", a paragraph of placeholder text, a bold section header "Primary Majors", the text "Computer Science, Math, Graphic Design", another bold section header "Open Positions", and the text "Consultant, Software Engineer, Graphic Designer". At the bottom, a black navigation bar contains three white icons: a back arrow, a circle, and a square.
