Project Overview

- Insurance data translation to Roosevelt system
- Time-consuming data translation
- Extract relevant insurance information
- AI chatbot connected with insurance documents

System Architecture

Homepage

The screenshot shows a web browser window with the URL `rooseveltintelligenceparser.com/home`. The page title is "Roosevelt Intelligence Parser". In the top right corner, there are two buttons: "Talk with Knowledge Assistant" and "Profile". The main content area is titled "Sessions:" and features a search bar and two filters. Below the filters, there is a list of two sessions:

Session Name	Status	Last Updated
SecureHealth_Premium	✓	Updated: Nov 11, 1:12 PM
Crescent Dental Plan	✓	Updated: Nov 10, 7:53 PM

At the bottom of the session list, there is a pagination control showing "Items Per Page: 10" and "1 - 2 of 2".
